This brochure is intended to describe the eligibility requirements, enrollment procedures and coverage effective dates for the benefits offered by the Company. It is not a legal Plan document and does not imply a guarantee of employment or a continuation of benefits. While this brochure is a tool to answer most of your questions, full details of the Plans are contained in the Summary Plan Descriptions (SPDs) which govern each Plan's operation. Whenever an interpretation of a Plan benefit is necessary, the actual Plan documents will be used.
